The Trip Report

It is with such a grateful heart that we share our trip to Russia and Scotland with you! We are glad you could walk the busy streets of Moscow with us and stand by our side in the small town of Edzell, Scotland. Any accomplishment is fruit to your account. Every life that was changed is because you prayed so faithfully and gave so generously. Thank you for "laboring together" with us. We love you all.

We have received such good reports from the bible school in Moscow. It was such a blessing to share bible truths with their students for two weeks – approximately 18 hours. They listened so carefully, and God was so gracious.

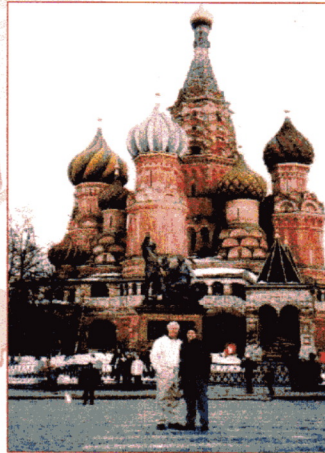

During the class on Monday night heaven descended upon us in such a tangible way. I did not know of the searching heart that had been asking "When are we going to see the presence of the Lord?" God knew, and He cared! Praise the Lord. This precious one floated home to be greeted by a spouse who said, "Why do you look so funny?" Don't you love it? It was the glory of the Lord.

Many other good things happened as we minis-

tered in word and spirit. In Scotland a lady that had been sick for several months was completely healed within 24 hours. She was on her feet the next day and cooked both meals for her husband. In Moscow, a student struggling all year with doubt was very complimentary of the seminar. The light of truth was dawning on his heart. I'm so glad.

We want to thank missionaries Doug and Tanya Knight and Krysta Murray for their graciousness to us in Moscow. Thank you also our many friends in Scotland and our new friends at Victory Christian Centre for opening your heart to us. Thank you all.
