A Glorious Gospel!

I love the phrase in the scripture **THIS GOSPEL!** We have in our hearts **THIS GOSPEL.** Just think about it. You and I possess the truth that brings freedom to all men. It is such a privilege to declare this freedom. We can walk in the victory that God bought for us through His Son and share the good news of this victory everywhere we travel. It is wonderful! It is a glorious gospel!

Wayne and I were honored again this year to share these truths in Moscow, Russia. This was our fourth year with our family of faith at Logos Bible School. Oh, how we love them! Every year after we arrive home, we struggle with tears as

"It is such a privilege to declare this freedom."

we remember their dear faces. They attend so faithfully. They listen so carefully. Many of them are elderly and yet walk great distances to school. Some dash into class after a long day at work. They are our friends.

Our Russian family has embraced us with open arms. They have lavished us with flowers, candy and other gifts. However, it is not because of their gifts that we travel the great distance and teach for so many hours. The Apostle Paul expressed it so clearly for us when he said "I have you in my heart".

Wayne and I thank each of you for joining with us to teach around the world. We are laborers together with God.

From Behind The Desk

The advent of the internet has created a whole new way to connect with friends and family from across the globe and has become an amazing way to share news and information. It enabled me to communicate with Mom and Dad every day while they were in Moscow. By keeping in contact, needs for prayer could be related from them and news from home relayed. We thank you for your support during this time!

At www.beckycombeeministries.com you can share in what is happening here on a daily basis. There are audio clips of each of our cassette series, as well as ordering information. We have recently included three videos taken on the trip for you to download and have plans for a photo gallery in the near future. We would like to encourage you to make use of this wonderful resource. Also, if you would like to stay informed of the updates we make there then drop us a line at combee@verizon.net and we will add you to our email listing. Thank you again and God bless!

Note From Wayne

Matthew 24:14 "And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come." That scripture was heavy on our heart during our recent trip to Moscow, Russia. There is a remnant of believers in Russia with a heart longing for God. They travel in the cold hours by Metro, or by bus, or by car, or on foot, but it can be said, "They come." They come to hear the Word taught by very able ministers like Doug & Tanya Knight, founders of the school. We were blessed this past 2 weeks to be a part of that work proclaiming the gospel to them. Becky taught some 22 hours in 9 sessions divided between Logos Bible School and Tushino Evangelical Church. Although very tiring, the peoples' response and desire for the Word makes it all worth it.

Becky and I want to thank each of you who have helped send us as a witness of this gospel to a loving group of people who desire to know the Word. Our prayer is that the seed planted will grow and spread to other parts of Russia.
