Every Kindred, And Tongue, And People, And Nation

My! My! My! What a wonderful time we had in Russia ministering the Word of God. This was our fifth year in the Moscow area and we can declare again without reservation the goodness of God. At Logos Bible School, Power of Life Rehabilitation Center, and Ark Church, this warm and gracious people received God's Word with an open heart.

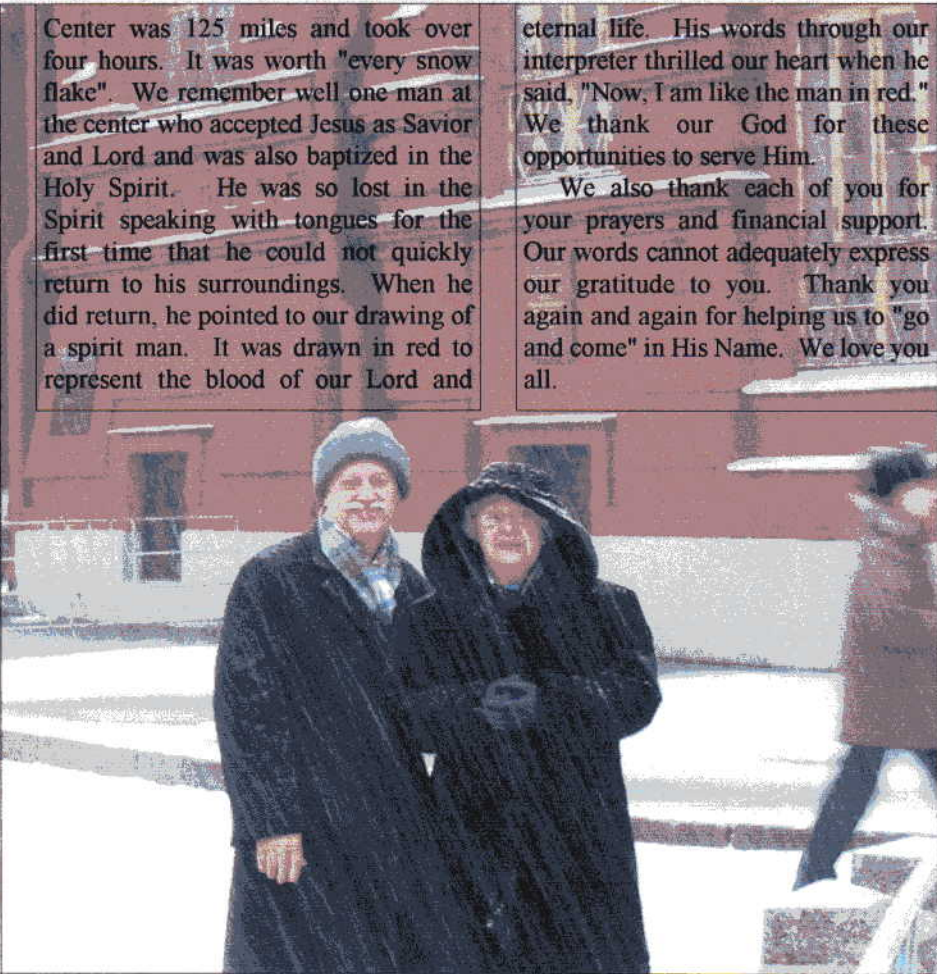

This year, there were so many glorious moments! For two weeks, we enjoyed the presence of our God in the Bible School as we taught over 18 hours. The students listened and responded to God's Word and His Spirit. Then, on Sunday morning we taught at a worship service. The altar call there is etched in our memory because of the overflowing tears of one of the respondents. In our heart, we hear anew the words of Jesus, *For God so loved the world!* This gospel is for every kindred, and tongue, and people, and nation. (Revelation 5:9) God is so good!

Our final area of ministry was at a drug and alcohol rehabilitation center. The journey to the Rehab

Center was 125 miles and took over four hours. It was worth "every snowflake". We remember well one man at the center who accepted Jesus as Savior and Lord and was also baptized in the Holy Spirit. He was so lost in the Spirit speaking with tongues for the first time that he could not quickly return to his surroundings. When he did return, he pointed to our drawing of a spirit man. It was drawn in red to represent the blood of our Lord and

eternal life. His words through our interpreter thrilled our heart when he said, "Now, I am like the man in red." We thank our God for these opportunities to serve Him.

We also thank each of you for your prayers and financial support. Our words cannot adequately express our gratitude to you. Thank you again and again for helping us to "go and come" in His Name. We love you all.

A Word From Wayne

1 Corinthians 3

⁵ Who then is Paul, and who Apollos, but ministers by whom ye believed, *even as the Lord gave to every man?*

⁶ I have planted, Apollos watered; but God gave the increase.

⁷ Now he that planteth and he that watereth are one...

The Lord has given Doug and Tanya Knight to the Russian people. They are true servants who can be counted faithful in the work to which God has called them.

It has been a privilege this past two weeks to build on their ministry in Russia. Throughout our time in Russia, they have seen to all our needs. We thank them for the hospitality shown to us and give the Lord praise for all that was accomplished.

To you who have been so generous in supporting this ministry trip to Russia, we thank you. In the coming year, we ask that you continue to pray for the Knights in their work at Logos Bible School.
