"We have this gospel to share."

YEAR OF INCREASE

Our hearts are so grateful for the goodness God has extended to us this year! It has been a great year. It has been a year of increase! In so many arenas, we have marched forward and the vision of our heart has been exposed in greater measure than ever before.

The highlight of this year was probably our ministry in a Russian Bible School. It was certainly God's dream come true. The opportunity to share for approximately 16 hours with hungry hearts was sensational. We were so graciously received and with rapt attention they digested the precious Word of God. We are such a blessed people to hold in our hands and hearts this great truth. We continually praise Him who promised to feed those who "hunger and thirst." I am one of those people! You and I could have a "feeding frenzy" until we are totally overcome with this gospel. We have this gospel to share. We simply say to our Father "Thank You."

One of the special privileges of serving God all over the world is to have Wayne at my side. He is God's dearest blessing to me. He has made all the physical laborers of service so easy. His service to the Lord and to

me is noticed everywhere we minister and our hearts are united to give to God our best.

Another great blessing is our daughter, Suzanne. She so efficiently mans our office, produces radio tapes, and is

chief accountant. We could not proceed without her help. We are so gratefully depend. Thank you, Suzanne. We thank our son-in-law, Jerome, and our granddaughter, Ashley, for "loaning Suzanne" to us.

We thank God for all our family because we know their confidence in our vision of God's work. Joel, our son, always stands with us in spirit and follows us closely. We were glad he was able to travel with us last year in Scotland and stateside as well. He is also a help to us. We thank God for his faithful support.

Finally, we thank God for all of you. We are filled with thanksgiving for every prayer and petition on our behalf. We are so grateful for the financial contributions of our friends in the Lord. We have increased this year because you have assisted us. We are certain that you are laborers together with us, and we say "Thank you" - Thank you so much.

Our goal for next year is to continually increase. We choose to follow God closely. Go forward in power. Travel extensively. Labor in churches. Teach with clarity. Pray more often. Increase in finances, and so much more. Thank you for loving us! Thank you for helping us! Thank you again and again.
