A Successful Year!

In this new year I have been giving attention to the prayer of Paul in Ephesians 3:14-21. It has been such a wonderful way to begin the year. I am particularly captured by the phrase in verse 17 – “rooted and grounded in love”. What does it mean to be rooted and grounded?

Whenever I am following the Holy Ghost in the scriptures, I ponder various translations to enlarge my vision and amplify the Word in my spirit. As I draw from these different translations of Ephesians 3:17, my heart leaps because I

*“How marvelous it is
to be strong in the Lord.”*

can see clearly the strength provided by roots that penetrate through many layers of soil. Whenever we are deeply rooted, we can stand firm. We cannot be blown over or uprooted.

What a great objective it is to be rooted in God! How marvelous to be strong in the Lord! The church of the Lord Jesus Christ is joined to Him and is sustained. It is almost too good to be true, yet *it is true*. We have His nature, His life, and the strength of His Spirit. We are rooted and grounded in Him.

This bond to our Father and Savior will make 2004 so very successful. We are going to abide in Him. We are going to bear fruit. As we fellowship with our God by the Word and the Spirit, our roots will go down deeply into the soil of His love. We will “be like a tree planted by the rivers of water, that bringeth forth his fruit in his season;” (Psalm 1:3) Ah! Yes! Our heart will be established and we will prosper. This is good news. It is for all of us. We are rooted in Him and we shall not be moved. God bless you in 2004!

Thank You!

Our Christmas Open House was a great success. This scripture was certainly fulfilled. For our home was filled with laughter, wonderful fellowship and great food. It was such a pleasure to prepare our home with decorations of Christmas trees and lights galore and to share them with you.

Becky and I want to give a special thanks to all those who helped us. We are especially grateful to our daughter, Suzanne, and our daughter-in-law, Shannan, who planned, organized and prepared the food. We also thank the other servers, greeters and the parking attendants who made this an evening to be remembered at our home.

To all of you we would like to express our love and appreciation for the faithful support you have given this ministry. We look forward to all that God has prepared for us in this coming year.
