Divine Leadership

"It is so grand that our God gives to us day by day a plan for successful living."

What a great big wonderful God we have and how marvelous are His benefits! The songwriter was so right. "When we walk with the Lord in the Light of His Word What a glory He sheds on our way!" As we do His work upon the earth – in our neighborhoods, offices, and families – we can expect His overwhelming grace to provide leadership. It is so grand that our God gives to us day by day a plan for successful living. I am so glad that God does not want us to fail. In III John 3 God's will is so clearly outlined. By the Holy Spirit, John states "Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth." This is God's will. It is for all of those who will trust Him. This is the message we declare as we go forth in His Name.

In our neighborhood we declare this truth. It is first that our soul prospers. We come to know Him. We absorb His truth by meditation in the Word of God. I like to compare this to camping. We pitch our tent in a specific location in the Word and we do not relocate until the work of the Word is finished. It is in our heart. Now we are ready to share this truth.

As ambassadors of truth, we have a job to do. We are His voice to our world. Oh, what glorious

news I can give to you. You do not accomplish this task alone. He is with us by His Spirit – the Spirit of Power, the Spirit of Grace and so much more. We can depend on His guidance. It is so simple. He will help us. Praise the Lord!

I am so aware that in these days we must be more God-conscious. We need to be sensitive to His presence within us and upon us. We should be ready to say with the Apostle Paul, "It seemed good unto us". We will with John have a witness within (I John 5:10). With Peter, we will have a revelation from our Father that is not by flesh and blood (Matthew 16:17). We will know as Philip did to "Arise and go" (Acts 8:26). Oh, how

wonderful! It is so true. We are not alone. We have divine leadership by the Holy Spirit. He will direct our steps.

We at Becky Combee Ministries, Inc. are so excited about the leadership of God in our lives. We look forward every day to heaven's guidance. We are so certain – we boldly declare – that we hear from our God. We will do what He wants us to do. We will go where He wants us to go. We say again and again, "We hear and we obey". Jesus said, "for I am not alone." Our hearts vibrate with that same message. We are not alone. Our God is with us. God bless you as you serve Him.

TESTIMONY

Prevailing Prayer

"I was really struggling with getting some things across to my son, when I was lead to Becky's tape *Prevailing Prayer*. While I was playing the message in the car, my son who was seated in the back seat started to weep. There is an anointing on the Word far beyond what we are trying to do in ourselves. My son was touched and the anointing on the Word reached his spirit man. It was just amazing. It was almost instantaneous. I have seen a marked change. He is different." - A. C.
