## Our God is BIG

Our God is BIG - so BIG - and I am glad. It is good news that God is bigger than sin, bigger than evil, and bigger than death. As Wayne and I travel, we see this GREAT

*"We bring to them THIS GOSPEL."*

BIG GOD impact the heart and lives of men by His Word and His Spirit. It is such a privilege to explain His Word. Men, women, and children are listening. They are hearing of our God and Father, the omnipotent Father, and He is invading their lives with overcoming power.

The need of man is often beyond words. The crisis of life can be devastating, but God is BIG - so BIG.

We have seen the look in their eyes and heard the cry of their heart. We bring to them THIS GOSPEL. The Saviour has come. Wayne and I are committed to be His ambassadors of truth. We will gladly declare our victory in Christ.

Thank you for helping us to travel in Jesus Name.

## We Thank You

We thank you for the opportunity to represent you in sharing the goods news of what Jesus has done for us. As you know we have just returned from a ministry trip to Scotland and Moscow, Russia. We are excited to see God moving in NE Scotland with an increased fervor in believers to see revival in their land. We believe "God is up to something big" and know it will happen if we pray and trust him for the end time harvest. The believers in Scotland are a great encouragement to us and we thank them for their wonderful hospitality.

This was our third year to return to Moscow to minister in the Logos Bible School founded by Doug and Tanya Knight. Real changes are taking place in the hearts of those who have attended classes there. This year we had an added bonus of the classes being opened to members of the local church. In all there averaged about 60 students in each session. We thank God for the work being done there and for the opportunity to meet with them and share the good news of the gospel.
