## Dreaming God's Dream

Today I had chicken and rice soup with lemon. My! I loved it. I love lemon. When I order tea, I ask for unsweetened tea with lots of lemon. And, I do mean lots of lemon. My tea resembles Old McDonald's farm. "Here a lemon. There a lemon. Everywhere a lemon, lemon." I'm delighted with lemon.

We have relatives and friends that are delighted with chocolate. Recently I saw a t-shirt that I wanted to buy. It said, "Give me the chocolate and nobody will get hurt!" I needed that. You can accomplish almost anything, if you have chocolate. Chocolate is delightful!

What delights you? Are you delighted with God and with His Word? On his 90<sup>th</sup> birthday, George Mueller was asked the secret of happiness. He responded that he loved God's Word and maintained a good conscience.\* When you love somebody, you love their voice. You love what they have to say. When you were dating your future spouse, you listened for hours to the most ridiculous and far-out

stories without even yawning. You thought, "Isn't that wonderful?" Do you know why? You were in love, deeply in love.

Are you in love with Jesus? Are you delighted with Him? If we're delighted in God and delighted with His Word,

wonderful things are going to happen. What will happen? We will be *like a tree planted by the rivers of water, that bringeth forth his fruit in his season.*\*\*

There is a season of planting, a season to hold fast to our dream, and a season to bear fruit. Abraham waited 25 years for the birth of Isaac. That's a long time to hold fast, isn't it? But, the promise of God came to pass. Mary carried the Christ-child. Impossible? No, *with God all things are possible.*\*\*\*

Now, what is your dream? What is your goal? Abraham embraced the plan of God. Mary submitted to God's plan. What is His plan for you? What are you trying to accomplish? Hear the song of my spirit: *Life-bringer. Life bringer. Show me a dream. Show me a dream of Holy Ghost things. Life bringer. Life bringer. Pour down the rain and let me begin to dream.*
